KEY TAKEAWAY

Sustained growth in MRR highlights strong market demand and effective customer retention strategies.

- May 2026 MRR matches the peak of \$1.56M.
- April 2026 MRR was \$1.54M, showing steady growth.
- Recent months indicate a positive trend in MRR performance.

Enterprise leads with \$805k, showing a \$20k increase from April.

KEY TAKEAWAY

- Focusing on the Enterprise plan's growth can drive overall revenue stability.
- Enterprise plan contributes 51.6% of total MRR with \$805k.
 - Business plan decreased by \$10k to \$570k.
 - Starter plan grew by \$9k to \$184k, the largest increase.

In May 2026, the Enterprise plan dominates with a total MRR of \$805k, representing 51.6% of total MRR. The Business plan follows at \$570k, experiencing a decline of \$10k from the previous month. The Starter plan increased by \$9k to reach \$184k, marking it as the biggest mover among the plans.

REGION BREAKDOWN

North America leads MRR at \$532k, but LATAM grows by \$21k.

KEY TAKEAWAY

Focus on LATAM's growth potential while addressing North America's declining trend.

- North America: \$532k MRR, 34.1% of total MRR.
- LATAM grows by \$21k, the largest increase among regions.
- EMEA and APAC see smaller gains of \$7k and \$3k, respectively.

In May 2026, North America dominates with an MRR of \$532k, representing 34.1% of total MRR across regions. LATAM shows the most significant growth, increasing by \$21k to reach \$270k, while EMEA and APAC also experience modest gains. However, North America declines by \$14k compared to the previous month, indicating potential challenges in maintaining its lead.

Priorities for the coming month

1. Increase focus on the Enterprise plan to sustain its \$805k contribution to total mrr.
2. Implement targeted strategies to recover the \$10k decline in the Business plan.
3. Enhance marketing efforts in North America to address the \$14k decline in the region.
4. Analyze customer feedback to identify and resolve issues affecting mrr growth.
