SaaS / Subscriptions dataset · 1,152 rows

# Declines in MRR highlight critical areas for improvement.

- Total MRR decreased to \$3.82M, down -1.4%.
- Enterprise remains the top plan at \$1.99M, constituting 52.2% of total MRR.
- Business plan saw the largest decline of -\$30k compared to the prior month.
- The United States leads countries with \$515k, making up 13.5% of total MRR.
- The United States experienced a decline of -\$43k from the previous month.

# Total MRR declined to \$3.82M in May, down \$53k from April.

## KEY TAKEAWAY

The decline in MRR suggests a need for strategies to sustain growth beyond seasonal peaks.

- April 2026 was the peak month at \$3.87M.
- May 2026's MRR is lower than the previous month.
- Recent trend shows MRR has been increasing since January 2026.

In May 2026, total MRR was \$3.82M, reflecting a decrease of \$53k or -1.4% from April's peak of \$3.87M. This decline marks a slight downturn after reaching a high in April, which was the peak month for MRR. The trend over the past year shows fluctuations, with MRR generally increasing until April, indicating potential seasonal patterns.

PLAN BREAKDOWN

Enterprise leads with \$1.99M, while Business declines by \$30k.

\$1.99M

Enterprise plan contributes \$1.99M, leading MRR concentration.

\$1.37M

Business plan declines by \$30k, signaling potential market challenges.

\$455k

KEY TAKEAWAY

This highlights the need for targeted strategies to stabilize and grow MRR in key markets.

- Top three countries: United States (\$515k), United Kingdom (\$377k), Germany (\$360k).
- France increased MRR by +\$16k, contrasting with declines in other markets.
- Concentration remains high with the top three countries accounting for a significant share of MRR.

# Priorities for the coming month

1. Analyze the decline in the Business plan and implement corrective strategies to recover the -\$30k loss.
2. Enhance marketing efforts in the United States to address the -\$43k decline and boost engagement.
3. Focus on upselling and cross-selling opportunities within the Enterprise plan, which accounts for \$1.99M or 52.2% of total MRR.
4. Conduct a competitive analysis to identify market trends affecting MRR and adjust pricing strategies accordingly.
